

COUNTRY H 2122

Versatile herb mixture to improve the grassland's palatability and nutrient supply

Herb menu

Profile

Meadow herbs are eagerly eaten, promote the vitality and resistance of horses and have a positive influence on the well-being of the animals. Even the sowing of 1.5 kg/ha COUNTRY Horse 2122 together with the normal sowing or reseeding improves the pasture growth and the hay.

- Contains versatile herbs
- Increases the palatability
- For a healthier basic feed
