

PISKATOR

Field pea

Short and robust type

Profile

With PISKATOR DSV now offers a field pea variety that corresponds to different purposes. While LIVIOLETTA is characterised by long and climbing plant growth as well as medium, purple flowering, PISKATOR is a short and robust type, that develops its white flowers in a later period. Thus, PISKATOR corresponds to ealier sowing dates and companion cropping purposes.

- Late flowering
- Less prone to lodging
- White flower
