

## PISKATOR

### FIELD PEA

### Short and robust

### Profile

With PISKATOR DSV now offers a field pea variety that corresponds to different purposes. While LIVIOLETTA is characterised by long and climbing plant growth as well as medium, purple flowering, PISKATOR is a short and robust type, that develops its white flowers in a later period. Thus, PISKATOR corresponds to later sowing dates and companion cropping purposes.

- ✓ Late flowering, thus suitable for early sowing
- ✓ Less prone to lodging
- ✓ White flower

### Sowing

140 - 160 kg/ha

### Sowing date

Until beginning of August
