

EUROGALA

Lolium perenne

The high-performance pretty!

Profile

EUROGALA is an outstanding grass variety that is ideal for both ornamental and sports turf. It was the first variety in Germany to receive the highest rating of 9 on a scale of 1-9 (9=top rating) in the ‘ornamental turf’ category of the official recommendation list. In trials conducted by the German Football Association, EUROGALA also impressed with the best results for winter sowing. It showed rapid, stable germination and was one of the fastest varieties to close the turf. EUROGALA also occupies a top position in the STRI list of turf varieties, achieving the highest average score for positive characteristics.
