

EG PRO 230 ACTIVE GREEN

EUROGRASS Pro Garden & Green

This durable and elastic sports turf grass mixture is designed for use on recreational fields

RSM 2.3

Profile

This mixture has been specially developed for recreational sports. This playing turf can be used for sports such as football, cricket, rugby, field hockey and badminton. Its elastic surface allows players to move safely and quickly. The surface is resistant to heavy use and recovers quickly after stress. With the right care and maintenance, this turf mixture will thrive even under demanding conditions, offering an attractive appearance.

- Specially developed for recreational and multi-sport use
- Provides an elastic and resilient playing surface
- Supports safe, fast player movement
- Quick recovery after stress and intensive play
- Maintains an attractive, well-kept appearance over time
