

EG PRO 410 GOLF GREEN

EUROGRASS Pro Sport

A premium golf turf grass mixture designed for precision mowing and high-performance play

RSM 4.1.2

Profile

This specialised golf lawn mix is crafted with premium turf grasses that have been specifically selected for their ability to withstand low mowing heights and produce fine, dense growth. Ideal for golf greens, tees and other precision-cut areas, it provides an even, smooth surface that is perfect for putting and offers outstanding playability. Designed to withstand heavy use and deliver consistent performance, this blend ensures your greens will always look pristine and perform flawlessly, season after season.

- Specialized mixture for golf greens, tees, and precision-cut areas
- Selected for excellent tolerance to very low mowing heights
- Produces very fine, dense, and uniform growth
- Creates an even, smooth surface ideal for putting
- Delivers outstanding playability and ball roll
- It always looks pristine and professional

Components

45%	Festa rubra commutata Joanna
40%	Festuca rubra trichophylla Nicole
15%	Agrostis stolonifera Proclamation
