

TROUBADIX

Festuca arundinacea

The Newcomer – He beats them all!

Profile

The medium bright green colour of TROUBADIX makes this variety the first choice for all purposes, sunny or shade. Due to its enormous root growth it is perfect adapted to dry conditions as well. Excellent health and vitality are important characteristics of TROUBADIX with play a major role in the decision making process for this variety. Thanks to its fast establishment and good density TROUBADIX is an important component of modern turf blends.

- New and improved variety
- Nice rich medium green colour
- Good shoot density
- High disease resistance
- Perfect for a wide range of purposes
