

# LIFLORIA

Lolium westerwoldicum

Diploid  
early  
International listings/recommendations: AT, DE, LU, UK

LIFLORIA is a top variety for intercropping. Its fast growth allows an early use and high yields esp. in the first cut. Acting as an erosion barrier while the permanent sward develops, it also helps preventing erosion on irrigation ditches.

- ✓ perfect for intercropping
- ✓ very proven variety
- ✓ fast growth
