

FLEETWOOD

Medicago sativa

International listings / recommendations: AT, BE, DE, LU, UA

The alfalfa variety FLEETWOOD convinces with an outstanding crude protein content and was the only variety to be awarded the top grade 7 by the German federal plant variety office. It therefore receives the Milk Index award for highest forage quality in the DSV portfolio. In addition, FLEETWOOD has good yield and persistence properties.

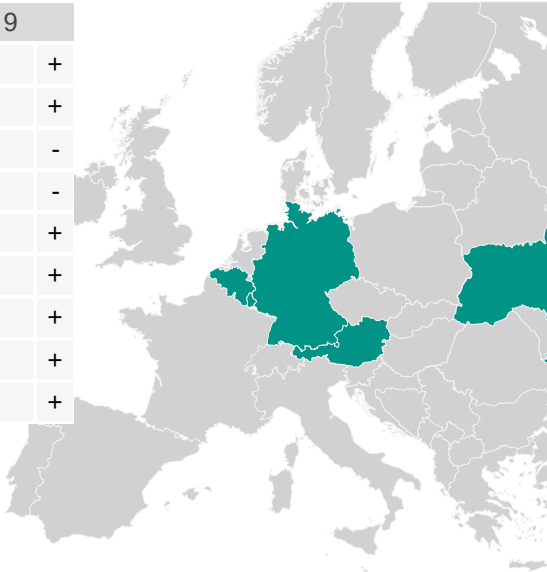

- ✓ dormany group 4-5
- ✓ Milk Index variety with highest crude protein contents
- ✓ high quality variety
